Summary

Dedicated Full Stack Developer with a passion for crafting seamless and dynamic web applications. Proficient in utilizing modern frontend and backend technologies to deliver robust and user-focused solutions. Skilled in designing responsive user interfaces, optimizing performance, and ensuring smooth interactions. Experienced in developing RESTful APIs, managing databases, and implementing scalable server-side architecture. Adept at collaborating within cross-functional teams to deliver high-quality code and meet project milestones. Continuously learning and adapting to stay current with industry trends. Committed to delivering innovative and impactful digital experiences that drive user engagement and business growth.

Skills

Next.js, React, Vue.js, JavaScript, TypeScript, Python, GraphQL, Express.js, MongoDB, Mongoose, Prisma, Node.js, Tailwind CSS, CSS, HTML

Experience

JK Teck Solution | Jaipur, Rajasthan
Jr. Mern Stack Developer (Remote) | 12/2023 - Present
As a Junior MERN Stack Developer, I contributed to dynamic web applications using React, Next.js, Express.js, TypeScript, and Vue.js. Collaborating in an agile environment, I implemented front-end solutions, enhanced user interfaces, and ensured seamless integration of features, gaining hands-on experience in full-stack development with cutting-edge technologies.

EBO SOLUTIONS PRIVATE LIMITED | Mumbai, Maharashtra
Full Stack Developer (Remote) | 03/2023 - 08/2023
Develop responsive and visually appealing front-end interfaces using React, HTML, CSS, and JavaScript.
Create server-side logic, APIs, and databases for efficient back-end functionality.
Ensure data security, optimize server performance, and manage databases.
Collaborate with cross-functional teams, follow coding standards, and conduct code reviews.
Work in Agile environments, prioritize tasks, and adapt to changing requirements.
Maintain technical documentation and stay updated with industry trends for professional growth.

Education

Scrimba | Oslo, Norway
Frontend Developer Career Path (Remote) | 10/2022
Experienced React Developer with comprehensive proficiency acquired through successful completion of the Frontend Developer Career Path from Scrimba. Adept at crafting dynamic and user-centric web applications using cutting-edge technologies. Demonstrated expertise in developing seamless user interfaces, optimizing performance, and ensuring cross-browser compatibility. Strong problem-solving skills and an eye for detail, resulting in visually appealing and responsive designs. Collaborative team player with a track record of delivering high-quality code and meeting project milestones. Passionate about staying current with industry trends and best practices to deliver exceptional user experiences.

Maharshi Dayanand Saraswati University | Ajmer, Rajasthan
Commerce
Motivated and aspiring individual with a strong foundation in commerce studies, seeking to leverage practical experiences gained during pursuit of a B.Com degree. While circumstances led to a temporary hiatus from formal education, I am dedicated to continued growth and learning. Possessing a solid grasp of fundamental concepts in finance, accounting, and business management, I have supplemented my education with self-directed learning and real-world experiences. Proven ability to adapt and thrive in dynamic environments, driven by a passion for knowledge and personal development. Eager to contribute my skills and enthusiasm to a professional setting and determined to carve a successful path forward.
